

The Indiana Association of School Principals (IASP) is proud to present the Rising Stars of Indiana Class of 2020. Each Indiana high school was invited to recognize up to four students currently in the 11th grade, based on their academic achievement. The Class of 2020 is surely promised success with the list of scholars below.

Please join IASP in congratulating these students on all they have already achieved, as well as offering support and encouragement as they continue their accomplishments and expand their knowledge, growth and leadership skills well into the future.

The Indiana Association of School Principals
leads in the advocacy and support of all principals
in their commitment to every child.

Rising Stars of Indiana is recognizing students for the 3rd time, as a complement to the Indiana Academic All-Stars recognition program for high school seniors, now in its 33rd year.

The Indiana Association of School Principals, through its Department of Student Programs, provides extra-curricular activities for students in grades 4 - 12. During the 2017-18 school year, over 41,000 students representing every Indiana county participated in IASP sponsored activities.

Programs include Indiana Academic All-Stars, Indiana Academic Spell Bowl, Indiana Academic Decathlon, Indiana Academic Super Bowl, M.A.T.H. Bowl, Science Bowl, Martin Luther King Jr. Essay Writing Contest, Student Day At the Legislature, and the Indiana Cheer Championship.
